#VERSATILITY

TWO FRAMES IN ONE to adapt to most of day by day situations.

Nobody is going to stop you with **DOSUNO** double fixing system.

All the frames from the entire collection includes not only the frames but also the headband for a better fit.

#INDESTRUCTIBLE

DOSUNO frames are made with *Sitiflex™*, an exclusive material that ensures maximal resistance on frames manufacture (according to reference).

The ability to dissipate heat, makes *Sitiflex™* a highly resistant material on resistance tests, recovering its original shape on stress and strain even at low temperatures.

DOSUNO frames are made with *Sitiflex™*, an exclusive material that makes them indestructible.
