#VERSATILITY

TWO FRAMES IN ONE to adapt to most of day by day situations.

Nobody is going to stop you with **DOSUNO** double fixing system.

All the frames from the entire collection includes not only the frames but also the headband for a better fit.

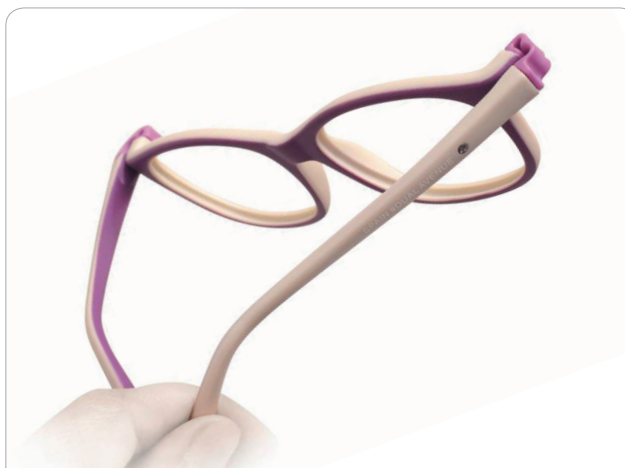

#INDESTRUCTIBLE

DOSUNO frames are made with **Siliflex™**, an exclusive material that ensures maximal resistance on frames manufacture.

The ability to dissipate heat, makes **Siliflex™**, a highly resistant material on resistance tests, recovering its original shape on stress and strain even at low temperatures.

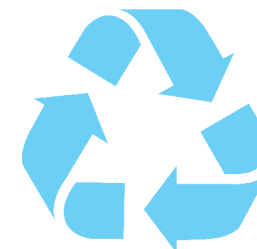

DOSUNO frames are made with **Siliflex™**, an exclusive material that makes them indestructible.

#FLEXIBILITY

Siliflex™, is a very low density and super light material that provides to **DOSUNO** frames an exceptional flexibility.

Special mention to the hinges with a total flexibility that makes temples capable of **360°** rotation not suffering deformation or breakages.

Siliflex™

ORGANIC ORIGIN 100% RECOVERY
AND RECYCLABLE

#RECYCLABLE

Siliflex™, is an organic material, 100% recoverable based on vegetable natural resins compound.

Our commitment with the environment also concern packaging manufacture using recyclable materials for this purpose as well.
