High Density & Natural acetates

To create our NANOCOOL collection, we use not only high quality acetates but also high density materials to manufacture thinner, lighter and more flexible products.

Flex hinge

All styles produced with natural acetate are granted with **Flex Hinge** to ensure perfect fit to all type of faces and to obtain an improved comfort.

Brushed effect (BR)

Just to emphasize the coolest features of the collection by adding a different texture to the surface making the collection going a step ahead of the rest.

Color

Nanovista carefully selects and develop all its collection colors from latest tendencies. Explicit theme and ingenious combinations will turn into fashion trends ideal for the new season.

3 Years warranty

In all Rx'able styles from Nanovista.

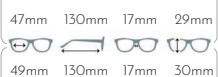

Mini-strap included

In all frames collection to ensure a perfect fit.
