#UNBREAKABLE

Unbreakable frames

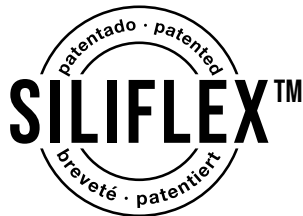

for real life.

#BEREAL · #BEYOU · #BEFLEX

Bflex eyewear

Unbreakable frames for real life.

Because thousands of consumers are tired of breaking their frames.
Because they don't identify with the "perfect models" in advertising.
Because they are simply looking for "all-round" frames that are durable, fit well,
are comfortable, and are good value for money.
Frames for real people that are proof of real lives.

Extreme resistance
Recyclable
BPA Free
Natural origin
Cold glazing

Magnetic frame
for magnetic clip

#UNBREAKABLE

#UNBREAKABLES

Made of **Siliflex™**, a **patented** material of extreme resistance, maximum lightness and durability. Its ability to dissipate heat allows it to always recover its initial shape when subjected to any deformation, even at low temperatures.
It is a **BPA-free material, hypoallergenic and 100% recyclable** thanks to its composition based on natural resins of vegetable origin.

#FLEXIBELS

Bflex™ frame temples can **rotate up to 360°** thanks to the "**Hinge 3.0**", a unique industrial innovation that eliminates breakage or deformation at the most critical point.
The **Siliflex™** joined with the "**Hinges 3.0**" is the perfect combination of strength and flexibility.

#MUCHMORE

All Bflex glasses are magnetised at the front to fit **the Sun Clip or the Night Driving Clip**. Thanks to its accessories you can change the style of your glasses and make them as versatile as you want.

#BEREAL · #BEYOU · #BEFLEX

From an important meeting, to a bike ride,
to a tickle war with your kids

**With Bf/ex you can do all the activities of real life,
without changing glasses!**

Turn your prescription glasses
into sunglasses in the
blink of an eye.
